

OHS Professional Services Referral Program

PURPOSE OF THE PROGRAM

The Gowlings OHS Services Referral Program has been established to provide Gowlings' clients with a "one-stop" referral service for Occupational Health and Safety ("OHS") and Workplace Safety and Insurance Board ("WSIB") matters.

By working together with industry leaders, Gowlings and its Services Referral Program Members assist clients in complying with legislation, regulations and best practices, and help make their workplace safe.

BENEFITS TO CLIENTS

- "One-Stop" for all OHS and WSIB professional services
- Service providers carefully selected by Norm Keith
- Service providers that are leaders in their industry
- Choice of 2 to 3 members in each referral category
- Professional services may be protected by solicitor and client privilege

BENEFITS TO MEMBERS

- Receive high value client referrals from Gowlings
- Increased number and quality of clientele
- Prestigious alignment with Norm Keith and Gowlings
- Website link on Gowlings' OHS website under "Referral Program"

BECOMING A MEMBER

To be eligible, your organization must meet **all** of the following criteria:

- Able to provide exceptional value to client referrals
- Willing to refer OHS and WSIB clients to Gowlings
- Do not compete with Gowlings' OHS Practice
- Annual review to ensure mutuality of program
- Willing to include Gowlings' logo and link on your organization's website as a Referral Program Partner
